

Drill Traffic Preface (ICS 213 Messages)

Tonight's drill message will be in ICS-213 format. Please prepare to copy. Blank ICS-213 forms are available on the CCAR website.

All stations, please standby.

(Transmit the message...)

Stations requiring fills, please call now.

(Service any fill requests received.)

All stations – please acknowledge receipt of the message during the checkout procedure.

(Return control to the NCS station.)

GENERAL MESSAGE (ICS 213)

1. Incident Name (Optional): THIS IS A DRILL		
2. To (Name and Position): All Net Stations		
3. From (Name and Position): Craig WB3GCK, CCAR Net Manager		
4. Subject: Operating Modes	5. Date: February 16	6. Time: 1847
7. Message: For EMCOMM, do not rely solely on repeaters. Practice the use of multiple simplex frequencies, HF NVIS, as well as digital techniques. Repeaters commonly go down during wind and ice storms and other severe weather situations.		
8. Approved by:	Name: Craig WB3GCK	Signature: _____ Position/Title: CCAR Net Manager
9. Reply:		
10. Replied by:	Name: _____	Position/Title: _____ Signature: _____
ICS 213	Date/Time: <input type="text"/>	

Here's an example of how this message would be transmitted over the air:
